**Re: United States v. Nigel Francis  
22 Cr 491 (NSR)**

**SO ORDERED:**

  
HON. NELSON S. ROMAN  
UNITED STATES DISTRICT JUDGE

Dear Judge Roman:

I write with the consent of the Government to adjourn the sentencing of Mr. Francis scheduled for July 13, 2023. I request the Court adjourn sentencing for approximately 60 days.

I was fully prepared to go forward with the sentencing hearing until just a few days ago when I was informed by treating doctors retained by counsel to provide an assessment of Mr. Francis that they have changed their diagnosis of him and now believe he is schizophrenic. This most recent diagnosis, for which I am awaiting a written report, is information which may not only affect counsel's sentencing recommendation, but it is information we intend to share with the Government for its consideration.

I have spoken with AUSA Stephanie Simon and the Government consents to this request for an adjournment.

Accordingly, I respectfully request that the Court adjourn the sentencing scheduled for July 13, 2023, for at least 60 days to a date convenient to the Court. Thank you for your consideration in this matter.

Respectfully,

*Daniel S. Parker*
